Narrative Report

1. Works or Job Within the Week

- **Project Presentation:** I presented the current version of the project.
- **System Review:** Met with Ma'am Karen, Sir Marvin, and Sir Deyto to review the progress of the project features.
- **Technical Refinement:** Processed the insights and clarifications provided by the team to improve the recruitment portal.
- **Feature Editing:** Started applying the suggested edits to the system's logic and user flow based on the presentation feedback.

2. Important Events During the Week

- **Meeting:** Conducted a progress meeting with Ma'am Karen, Sir Marvin, and Sir Deyto.
- **Transport Strike:** No work was conducted on Thursday due to a scheduled transport strike.
- **Friday Holiday:** No work was conducted on Friday due to Eid al-Fitr.

3. Related Work (IT Course)

- **Systems Analysis:** Gathered feedback and clarifications to ensure the project meets the office's standards.
- **Backend Maintenance:** Implemented specific code edits requested during the presentation session.
