Narrative Report

1. Works or Job Within the Week

- **WordPress Editing:** We edited specific pages and sections of the official Palarong Bicol website to keep information updated.
- **Data Encoding:** We compiled and encoded the names of winners for various sports categories.
- **Graphic Production:** Used Canva to create result graphics for Gold, Silver, and Bronze winners to be posted on the official Facebook page.

2. Important Events

- **Social Media Updates:** We maintained a real-time feed of winners and sports results for the public for the whole week

3. Related Work

- **Web Content Management:** Applied WordPress skills to update and maintain a live event website.
- **Digital Media Creation:** Used design tools to format technical data into social-media-ready graphics.
- **Data Entry and Accuracy:** Ensured that winner names and categories were encoded correctly for official records.

SCHOOL OF ENGINEERING AND COMPUTER STUDIES

Second Floor, DWCL South Campus
Cor. Rizal and Fr. Bates Streets, Albay District, Legazpi City Philippines 4500

4. Unrelated Work
